

noun a person who is afraid of something, especially an irrational fear that causes panic or anxiety in response to unwanted stimuli. "I'm not afraid of anything by nature, but I'm also not a coward." "You're no hero, you're just a fearful little man." A short list of resources for obscure and downright scary content. This post will give you everything you need to know about monsters so big even the sun can't protect us from them. Join us in exploring the world beyond your window at night when there's nothing else on TV because the whole world's scared!
